

Principles Of Play Workshop

Dates

8th October 14 - South
9th October 14- Central
14th October 14- North
15th October 14- East

These principles establish the professional and ethical framework for play work, and describe what is unique about play and play work, and provide the play work perspective for working with children and young people.

Why play is essential, what it is, benefits to children and communities.

Over view of all eight Principles, and implications for policy and practice

Creating play spaces [including children in process; loose parts; access;

A balanced approach to risk [play behavior/play cycle; Risk-benefit assessment model; reflective practice; interventions

Look at practical ways to develop and make an action plan to inform review of key policies and procedures (Health & Safety, Safeguarding, Behavior, Equality/Inclusion for starters) so that they support good practice *and* evidence contribution to EYFS & Welfare Requirements.
