

Playing in the **great outdoors**

To **book your place**, please contact Gill Woodward on: 0121 236 2917 or at gill@bpcn.org.uk

This is an excellent session for playworkers to explore a variety of play opportunities using the **outdoor environment** whilst allowing for lots of discussion around **risk benefit assessments**, **OFSTED** requirements and concerns or anxieties that playworkers may have around this level of activity. The workshop will also be part of a national simultaneous screening of 'Project Wild Thing' on National Play Day.

Activities

- **Building** your own campfire with campfire cooking.
- **Making** your own environmental structures, wigwams and dens using a variety of tools and materials.
- **Using** materials from the great outdoors to make goblin jars, twig towers, twig skeletons, wreaths and mud parfaits.

The day will conclude with: tree boggots, scavenger hunts and wide games.
